Fruit trees to commemorate Canada's 150th Anniversary!

Harriston, March 2017:

The Trees for Minto Committee will be offering pear and apple trees for sale at the cost of \$10 each to the residents of Minto to commemorate Canada's 150th anniversary. A maximum number of three trees per household will be allowed and only 150 trees will be available. Fruit trees produce fruit for people, birds and bees to enjoy, and also provide blossoms, fragrance and shade in the summertime. Fruit trees are fairly easy to grow and require relatively little care.

The Trees for Minto Committee will also be planting 150 fruit and nut trees and bushes on walking trails and outside of community gardens for all of the public to enjoy.

For more information about the fruit tree sale, or to order your trees call Annilene at
