REQUEST FOR QUOTATION # 2016 - 09
TRUCK SPECIFICATION FOR PRICING

UNIT REQUIRED

The Town of Minto is considering purchasing one new 2016 550 (or equivalent) dually 4X4 Super Cab and Chassis.

SUBMISSION OF QUOTATION

Two copies of the RFQ shall be submitted in a sealed envelope clearly marked with the RFQ number and title (enclosed):

RFQ # 2016 - 09

TRUCK SPECIFICATION FOR PRICING

Sealed Quotations, plainly marked as to contents, addressed to:

Brian Hansen
Public Works Director
Town of Minto 5941 Highway #89
Harriston, ON NOG 1Z0

Closing Date: Tuesday April 26, 2016
Closing Time: 10:30 a.m. (Eastern Standard Time)

NOTE: Any or all quotations not necessarily accepted. Town of Minto reserves the right to reject any or all quotations without stating a reason.

SPECIFICATIONS

The vehicle shall be the manufacturer's standard production model as shown in the manufacturer's literature and all component units shall be standard or be a standard catalogue listed unless otherwise specifies and agreed.

The vehicle offered in the tender should meet the following Town of Minto minimum specifications. Please indicate opposite in the space provided the actual specification of the unit.

The vehicle shall meet or surpass the mandatory requirements of the “Canadian Motor Vehicle Safety Regulations (S.O.R. 70-487) amended”.

While the purpose of the specifications is to indicate certain minimum requirements in the way of capacity, strength, and other details, the Town of Minto at its sole discretion shall have the right to select the equipment which may be considered most suitable for the service involved. In other words, even though proposals are received based on furnishing equipment which may meet the minimum requirements indicated, it is not intended that this alone shall limit the contract award to be recommended but that the other factors shall be considered including but not limited to any experience the Town of Minto may have with equipment of the same type or manufacture, option costing and availability, transportation cost for warranty service and similar technical considerations.

The specifications included herein describe the type, size, design, and construction of the equipment which is felt necessary to meet the performance and service requirements of the Town of Minto. Bidders tendering on equipment which deviates from the standpoint of capacity, size, construction and performance, both as to the individual component parts and the completely assembled units, are requested to submit alternate bids on the equipment which so deviates. Any and all alternate bids which are submitted will be given due consideration in accordance with the Town’s standard tender practices.

Delivery date could have a direct bearing on the acceptance of the tender.

All tenders must be accompanied by complete specifications and illustrations of the vehicle tendered on.

The Town of Minto reserves the right to accept or reject any or all quotations in whole or in part for any reason or concern without any claim whatsoever because of cancellation. The Town of Minto reserves the right to accept or reject any of the options listed as they see fit. Selection of the successful quotation shall be subject to approval by the Council of the Town of Minto.

Payment made in full at the time of delivery, once full inspection and acceptance has been completed by the Town of Minto’s Public Works Director and/or staff equivalency. All tender submissions presented are to be honoured until council approval.

For any specification listed in the following pages bidders to please provide estimate on “closest comparable vehicle” to any minimum specification.
