## Bid Document

### **1. BACKGROUND**

The total unadjusted cost of equipment replacement over a 14 year period is \$5,295,000.00 for an average annual cost of \$378,000.00. The capital equipment budget varies from year to year with the 2018 budget identifying over \$240,000 in potential equipment purchases. By tendering the purchase of pick-ups, the Town intends to maximize value through the competitive bid process.

The Town at its sole discretion may re-allocate funds within its approved budget depending on need and the competitiveness of pricing obtained in its tendered proposal. If a pick-up truck tender contains pricing which is poor the Town may defer purchases to other years and re-allocate funds to other areas if such a deferral results in “best value” to ratepayers.
