Scene lighting on the sides

Details

This Request for Proposal (RFP) consists of designing, constructing, delivering, and training of fire department personnel for a Tanker Truck for the Minto Fire Department.

The Town reserves the right, in its sole discretion, to reject any or all bids, and the lowest bid will not necessarily be accepted. Without limiting the generality of the statement immediately above, the Town shall not be required to award or accept a proposal, or recall the proposal at a later date:

- (a) When only one bid has been received as a result of the proposal;
- (b) Where the lowest responsive and responsible bidder substantially exceeds the estimated cost of the goods or service;
- (c) When all bids received fail to comply with the specifications of the tender terms and conditions;
- (d) Where a change in the scope of work or specifications is required.

Further the Town reserves the right to accept any portion of a proposal. Selection of the successful quotation shall be subject to approval by the Council of the Town of Minto.
