Re: Trustee Determination and Distribution, 2022
Wellington Catholic District School Board #48

Trustee determination and distribution are pursuant to Ontario Regulation 412/00, Elections to and Representation on District School Boards, to determine the number of trustee positions for the 2022 municipal elections and to distribute these positions equitably across the board’s area of jurisdiction.

Trustee Distribution approved at the March 28th, Policy and Corporate Services meeting is as follows:

Municipality	Number of Trustees
City of Guelph	4
Township of Puslinch Town of Erin Guelph-Eramosa Township	1
Township of Centre Wellington Township of Mapleton Town of Minto Township of Wellington North	1

In accordance with Ontario Reg. 412/00 of the Education Act, the Upper Grand District School Board at the March 28th, 2022 Policy and Corporate Services Meeting, the Board passed the following :

“That the Wellington Catholic District School Board elects 6 trustees, the same number that was elected to the Board at the 2018 regular election.”

“That the recommended Trustee distribution as outlined in the Trustee Distribution Template for 2022 dated March 26th, be approved.”

“That no areas of jurisdiction of the Wellington Catholic District School Board be designated as low population areas.”

Please find attached a copy of the Trustee Determination template including the trustee distribution by municipality. This represents the status quo (option A) trustee distribution.
