Re: Permit ALT04/2021- Brunswick St. Culvert Replacement

Within the Right of Way, adjacent to 370 Brunswick Street, Town of Minto, on
Brunswick Street, County of Wellington

The Maitland Valley Conservation Authority (MVCA) has approved the application submitted by your Agent Mistaya Langbridge, Triton Engineering Serviced Ltd, signed January 25, 2021 to undertake the replacement of the Brunswick Street culvert.

The work is to be undertaken within a watercourse. Watercourses plus a 15-metre buffer is regulated pursuant to *Ontario Regulation 164/06 (Development, Interference with Wetlands, Alteration to Shorelines and Watercourses Regulation)* made under Section 28 of the *Conservation Authorities Act (R.S.O. 1990, Chapter C.27)*. Your application was reviewed with regard for *O. Regulation 164/06* and in accordance with MVCA Board approved policies made under the Regulation.

Please be advised that Permit No. ALT04/2021 is subject to conditions outlined on the attached Permit.

MVCA has the legal authority to revoke your Permit should the specific and/or general conditions of the Permit not be met. Every person who contravenes the regulation or the terms and conditions of a Permit is liable to fines and prosecution under Section 28 of the *Conservation Authorities Act (R.S.O 1990, as amended)*.

MVCA permission does not exempt you (the applicant) from complying with any or all other approvals, laws, statues, ordinances, directives, regulations, by-laws etc. that may affect the property. Specifically this Permit does not exempt you from approvals from Fisheries and Oceans Canada (DFO).

Thank you for your cooperation. Please sign the Permit and return a copy to this office. You may fax or email the signed copy.

Feel free to contact this office should you have any questions or concerns.
